Meditation of the week: Proverbs 8: 1-36

Text: Genesis 1: 1-5

Title: The Word of God with the Power of Creation

Genesis is GENESIS in English. However, Generation, which indicates the generation, also came out here, and then the chromosome that contains all human habits and various good and bad things is GENE in English. Therefore, the word GENESIS is thus referring to the origin of mankind.

In verse 1, it says, "**In the beginning God created the heaven and the earth.**" 10 words. The beginning-to-God-created-heaven-and-earth-. It consists of ten words. In English, it also consists of 10 In the beginning God created the heaven and the earth. But in Hebrew it is seven. In the beginning, God created heaven and earth. The system of the Gentile world is decimal, but God's mate is sevens. After seven, it will start again. Hence, the mystery of God hidden in these seven system songs is that six thousand years after the history of mankind, the seventh kingdom of the world ends and the millennial kingdom of God begins. It will be followed.

Therefore, even in the words of the first verse of Genesis, there are mysterious things that are written in detail about the heavens and the earth, and about man, sin, redemption, and races. It is also written in detail about the origin of the various covenants between God and man. Also in Genesis are those who are typified by the coming antichrist, such as Cain, Ham, Nimrod, Laban, Ishmael, and Pharaoh. It also contains model words related to the end times. Genesis is the first book, but it is the beginning and the end, and according to the attributes of God, Alpha and Omega, the first book, Genesis, also records what will happen at the end. Indeed, God's Word is a word that cycles from beginning to end.

I will meditate on the words of verse 1. "In the beginning God created the heavens and the earth" Here it says that God created. It is not saying that they are Gods. He says that only God created them. The thoughts of all atheists in this passage are all in vain. The apostle Paul testified that all who say there is no God are liars and that only God is true. The word that God created is overshadowing the words of all evolutionists in the world.

Also, the word that God created the heavens first clearly states that they are wrong for all the religious people who call God God, God, etc., claiming that God is God.

It also says that God created heaven and earth in the beginning. This "the beginning" speaks of the beginning of God, which we cannot imagine or know. The Bible says that man began about six thousand years, but no one knows how long time has passed since the beginning of God. To this beginning the apostle John testifies:

**"In the beginning was the Word, and the Word was with God, and the Word was God.**  
**2The same was in the beginning with God.**  
**3All things were made by him; and without him was not any thing made that was made.**  
**4In him was life; and the life was the light of men.**  
"(John 1: 1-4).

He also testified that God, who was in the Word, created the heavens and the earth, and that the very Creator God is Jesus Christ, manifested as a man:

**"And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.**  
"(John 1:14)

King Solomon also testified of the presence of Jesus Christ in the Holy Spirit with Heavenly Father,

**The LORD possessed me in the beginning of his way, before his works of old.**  
**23I was set up from everlasting, from the beginning, or ever the earth was.**  
**24When there were no depths, I was brought forth; when there were no fountains abounding with water.**  
**25Before the mountains were settled, before the hills was I brought forth:**  
**26While as yet he had not made the earth, nor the fields, nor the highest part of the dust of the world.**  
**27When he prepared the heavens, I was there: when he set a compass upon the face of the depth:**  
**28When he established the clouds above: when he strengthened the fountains of the deep:**  
**29When he gave to the sea his decree, that the waters should not pass his commandment: when he appointed the foundations of the earth:**

**30Then I was by him, as one brought up with him: and I was daily his delight, rejoicing always before him;**

**31Rejoicing in the habitable part of his earth; and my delights were with the sons of men.**

.(Pr 8: 22-31)

God long ago, through the prophet Jeremiah, proclaimed His word about other false gods in the world:

**" Thus shall ye say unto them, The gods that have not made the heavens and the earth, even they shall perish from the earth, and from under these heavens.**

**12He hath made the earth by his power, he hath established the world by his wisdom, and hath stretched out the heavens by his discretion.**

**13When he uttereth his voice, there is a multitude of waters in the heavens, and he causeth the vapours to ascend from the ends of the earth; he maketh lightnings with rain, and bringeth forth the wind out of his treasures.**

.(Jer 10: 11-13).

The Bible says that there are many gods besides God. But they are things without the ability to create heaven and earth. Satan, who sinned and was cast out to earth, must not forget that he deceived people by making fallen angels like gods in the world. The Bible speaks of such gods:

**" God standeth in the congregation of the mighty; he judgeth among the gods..... I have said, Ye are gods; and all of you are children of the most High.**

**7But ye shall die like men, and fall like one of the princes.**

" (Psalm 82: 1,6,7)

The apostle Paul testified that the gods who do not believe in the Creator God are the gods that will be destroyed in the future:

**" In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them."** (2 Corinthians 4: 4).

Modern scientists not only believe that God created the heavens and the earth, but also teach others not to believe. The science they claim claims that there must first be time, space, and some movement, and then there is the substance that is the body that is moving, and also the energy that causes it to exercise. As the ground for denying God's creation. But God's Word speaks more accurately than science and teaches us exactly what is out of the five things they claim.

In Genesis, there is a time called "the beginning", there is a space called "heaven", there is a "movement" that created, there is a "earth", and the energy that scientists claim is "God." It is. But scientists do not believe in God and falsely claim that energy came from their own evolution. Those who do not believe in God do not believe in Satan, but the Bible does not know what Satan believes in God and is ignorant.

Through the words given today, we must clearly understand why we should believe and accept Jesus Christ. Believing in and accepting Jesus Christ is because He is the only life-giving Creator God, and when we believe and accept Him, we can overcome all the world gods who deceive the world and all those who claim vain science. We are able to withdraw all the darkness when we constantly believe in the word of God with the power of creation and proclaim it with our mouth, and we can do the great work of saving the sinners in the darkness by shining the light of life. is.

The Holy Spirit operates in those who believe in Jesus Christ, so God's Father creates the light of life as long as he proclaims the Word of God whenever necessary. Amen! Hallelujah!
