

Daniel 14

You can't do this as if you're righteous. We were called righteous. It means we are justified by God. So, as we said before, we're not righteous. It's justified. Justify means that we are not righteous, we are not righteous, we are not righteous, because of the blood of Jesus, our Lord suffered. So they cut us off from sin. Because I don't realize this ...I don't understand the gospel. People nowadays don't know what the gospel of Christ is. they only learn the wrong things, especially these days, when I look at people who insist on the end times and insist on verichips, they don't know the gospel, they only know it. That's how you deceive people. How ridiculous is that? In other words, I put on my clothes and buttoned them the wrong way. The whole thing is a mess. So a different gospel came out. That's why you have to be really careful, and really, from this pulpit, the whole Bible is the gospel. If you don't read the whole Bible, you don't know for sure. You have to read the Bible thoroughly to know the will of the Lord. A little here and a little there. Why did cults become cults? A little here and a little there. Isaiah said, right? It's not just heresy. It's the same with Protestantism. A little here and a little there. Listen to the sermon here, and then hear it somewhere else. It goes back and forth, so it doesn't fit in later. I don't know what's what, totally. They don't know what God's will is. But this Nebuchadnezzar became like an ox and ate grass. It has eagle-like claws and its head is scattered. Isn't that what a caveman looks like? How do you eat grass like a cow? You don't have anything to eat because you've been kicked out. That's why I'm making this confession. It's about exalting God. It's praise. Here's where the army of heaven comes in, right? The armies of heaven are coming, but what do they say about God? The LORD of host. Jehovah God, Lord of hosts! Ten thousand. Well, a battalion, a platoon, a company, a battalion, a regiment, a division, a corps, a command, I don't know this much. There is a legion of heaven. It's the Host. The Host. We can't see it. There is such a tremendous thing in heaven, and just as the will is done in heaven, the will is always done on earth. There's a change coming out of this land. It's done because it's done in heaven. Yesterday, it came out who was going to be president, right? And I just look at it and I see that Israel is now under pressure from him, and he doesn't cooperate with Iran, and he's been pressuring him for a long time. I came to the White House, and I didn't even look at him, and I had a guest and I'm going to go, so if

you have a chance to talk to me, you should talk to me, and when you come in from the airport, you come in through the back door of the White House, and you don't know how much you insulted the Israeli prime minister. Since then, I've been completely awesome. So the Israeli prime minister turned to whom, and he turned to another candidate, Romney. Ah Romney, we Mormons are talking about Joseph and

It is the tribe of Manasseh. And you went to the Western Wall, put your hands on it, and prayed. Oh, so the Israeli prime minister is the one who is going to help us, even the Israelis in the United States. It's the same. Once upon a time, under Babylon, they opened their hands to Egypt. Israel had opened its hands to Assyria. Isn't that why it's ruined? I still can't get rid of that habit. We have to trust in God alone. But then I went here and I went there. Commissioning the United States. Now that it's the presidential election, I'm going to ask for the other side. A lot of Christians call me and ask who I'm going to vote for. I said I wasn't going to take it. It's my heart, isn't it? Oh, why are you giving up your rights? Oh, and some people said what about homosexuality? No matter how you do it, you're going according to God's will. It's going to go your way. Take a look. Even though more than 1 million votes in the entire election were on the other side, who was it? You're the current president. Why is this? I We don't know. We think, oh, what's wrong with this person, but God does it according to His own time. Israel is going to be very cornered right now. I'm in an uproar right now. Forty-nine percent of Jews supported Romney. Twenty-nine percent supported the other side. This was in the newspaper, it was on the air, and there was an uproar. I wonder what the person who is elected now will feel inside. This is the time we live in. We have to be discerning about this. Now there's something called the Army of Heaven. In other words, everything that happens in heaven is controlled in heaven, not on earth. We Christians need to know this. As I thought, I have a small thing, this person and this person, and then God is doing His will. Even if more than a million sides had raised their hands on the other side, who would have created the American electoral system? I'll leave it to your imagination. It's a country like this. If it's like Korea, it's turned upside down. Who would have created the indirect elections. That's why God's children need to know how the world works through God's word. Shouldn't we do the same as the rest of the world? So what happened above, and so it happened on earth. In Revelation 12, there is a war in heaven. The armies of heaven, and Michael, and Satan, and his angels. There are two groups. This is the Lord God of hosts, and

the fallen Lucifer and his 1/3 angels are now in conflict. So **[our struggle is not against flesh and blood, but against principalities, against powers, against the rulers of darkness in this world, against evil spirits.]** Now in heaven is Michael's army and Satan's army. You need to know this. That's why we need to know this, and when we look at the situation in this world, we need to discern whether it is God's will or not, and then we have to fight a spiritual battle. Finally, when we enter the Great Tribulation, Michael and Satan fight, and in the end, the devil does not prevail and is cast down to earth. This is the Great Tribulation. So, in the end, the antichrist appears, the devil appears, and the false prophet appears, and who does he persecute with it? They're persecuting Israel. Please take a good look. They're persecuting Israel. They persecute the woman and she flees into the wilderness. So Jesus said, "When this day comes, flee into the wilderness." Run away to the mountains. That's what we're talking about. That's what Revelation, Matthew 24, and Ezekiel all work for. The Bible is all about it. If you don't read the whole Bible, you don't know God's will, and you expound on the book of Revelation in your own way, a little here and there, but you only expound on what you have seen, so everything is wrong. Go to your bookstore. How many expounds of the book of Revelation there are. If you don't know the entire book of Revelation from Genesis to Revelation, you can't explain the book of Revelation. You release it with your own thoughts, you release it symbolically, and if you don't understand it, you release it symbolically. How much of this is, if you interpret it casually, it will be a big deal. I'm cursed. For this reason, we must eat all of God's words that have been given to us so that God's words become flesh. Only then can we become the person of God's Christ. This kind of person will be raptured and reign supreme. Look at you. Nebuchadnezzar became so proud. What did he do when he ruled the whole world and became arrogant? God lowered him. What is God doing now? Why did He build the Church? In the future, not only Nebuchadnezzar but all the presidents and kings of all nations serve God? They've all become arrogant, aren't they? He has received power from the devil's principalities and is on his side now. I'm not on Michael's side. So what happens when the Lord comes? We destroy all of them. That's it. Nebuchadnezzar still was given him a chance to repent, but now We don't have a chance to repent. It is a dispensation in the fulness of times. Isn't that why all the rulers of the world will be gone? So who will

rule in this millennium, when there are Jews and Gentiles? God called the apostles, didn't he? Why did He call the apostles? Those who are called. He called the apostles to rule over the 12 tribes of Israel. Fishermen, tax collectors. If they come down with glorious body, they will become superhuman, so why can't they rule? The raptured saints. The raptured saints who worked on this earth and left behind a mina. When those saints come down, they will come down in a completely superhuman body, a body that does not die, a body that does not corrupt. This is where the church trains those people, and there are very few people who are born again to do that. They are all just religious. Including the pastors. I

I don't know people. It's gone. There is not one. Even if it turns into grass .. No matter how you look at it, there is none. It was. So what did the Apostle Peter say? **[You are a royal priesthood, a holy nation, and a unique people.]** They're a unique people. In this church of God, God is really like in the parable of the mina, when the time came for the Lord to go, and when He went, He gave him a Bible, and depending on how much he occupied with it, he left ten minas or five minas, and there is no one who stays still. You need to know this. But he told us to give him the right to rule. Now, look. **Let's look at Psalm 2.** He had already planned this and warned the kings of the world.

[Why do the heathen rage, and the people imagine a vain thing?

²The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying,³Let us break their bands asunder, and cast away their cords from us.⁴He that sitteth in the heavens shall laugh: the LORD shall have them in derision.⁵Then shall he speak unto them in his wrath, and vex them in his sore displeasure.⁶Yet have I set my king upon my holy hill of Zion.

Take a look. I have set up my king. It's the past. The word is the present, isn't it? That's what I'm going to say. Who is my king? Jesus Christ. We will establish Jesus Christ, the King of kings, Lord of lords. So, you kings, you rulers, come to your senses. That's what I mean. Peter was persecuted after Pentecost, so I quoted him at that time. It was the same back then. The kings and rulers of the earth killed Jesus Christ. It's the same at the end of the day. Even at the end of time, the Lord is coming, and the kings of the earth unite to resist the Lord coming from Armageddon, and they all die. 200 million troops are killed. This is happening again. Therefore, a person who realizes this dedicates his whole life to the Lord and lives humbly. **[Humble yourselves under the hand of the mighty God. In due time I will exalt you.]** This is

the sweet baby that was exalted at the Lord's coming. You must never be elevated on this earth, folks. On this earth, you have to keep going down. The Apostle Paul did, right? At first, I was not inferior to the other apostles. The second thing is that I am the least of the apostles. And then I said, 'What?' He is the least of the saints. And then I'm a head of sinners. The more we understand God's words, the more we realize how much we are and how much mysin is, and the more I realize that a sinner like me has been saved. That's why I study the Bible. I know I'm trying to put it in here (head). I know you put it in your head, that person is getting arrogant. Knowledge is prideful. I got a call from a person who wanted to gain some knowledge, a pastor. Oh, I'm going to get some materials from the pastor. He's a pastor, too. That's why I couldn't speak. Material.

No one looking for data. I don't want people to get some data and use something. When I listen to God's words, the light shines on them, and I understand them, and those who seek data and use them become arrogant because they only have knowledge. So if you teach others what you've learned, you'll be prideful. However, no matter who I have learned these words from, when I understand them and take them into my flesh, I gradually become humble. You get to know the will of the Father. What do you do, you might ask? It's coming out here, right? **[You don't have anyone to do what you do]**, right? No one asks. You're welcome. Nowadays, when I see people in church, they complain that they don't like me. Well, it's the same with many churches. Aren't the churches fighting? This Church is the Body of the Lord,.But when people learn the book of Ephesians, they know for sure what the church is, but if they don't learn the book of Ephesians, they don't know it. The Bible is gone. The Church is the head of the Lord. That's why they persecute people in the church, right? Then you are persecuting the Lord. Anyone who causes dissension, disagreement, and confusion in the church is bothering the Lord. I don't know this. I told the Israelites that my people perished because they had no knowledge. Even today, God's children are ruined because they don't have knowledge of the truth. He doesn't know why he's screwing up. I mean, someone like Nebuchadnezzar went up to the top and fell down, so that's a huge change, isn't it? But these days, people go up and down as much, and they go up and down as much , so they don't even know if they are falling. I have to fall from that high place to get my mind out of the way, and I'm going to wonder why

I'm doing this, but if I look at it and get a job and have enough to eat, I'm arrogant. Humans are foolish when they look at it. When you don't have a job and you don't have anything to eat, Lord, Lord, then something happens and you get a little bit of weight, and you just do this. It's about asserting yourself. These are lives. What happens then? Drop it, God. It's a pity. It hurts to be beaten, folks. That's discipline. If you're a child of God, it's discipline. But we don't discipline those who aren't God's children. I just drop it. Discipline is about restoring. God's beating man lifts him up. But not those who don't. That's why it's so sad. The saddest thing about my ministry is that people really don't know. That's why I always say that when you come to church, don't come to see the pastor, come to see the Lord. Not many people come to see the Lord. I've been in ministry for a long time now. Of the people who have been there since the beginning, there is only one family left. He knows what the church is. It's all the way to the end. Because I know the Lord. But no matter what the elders say, they do not know the Lord's Church.

People leave. Why are you leaving? Most of the time, the wives take them out. I don't know this. You can't even win a spiritual battle at home. So what's going on? What kind of military would that be. The Church of God is a group of rulers, royal priests, whose soldiers are raptured and come down to reign with the Lord. A priest is a priest, but a king. Because they don't know this, that's why people talk and act indiscriminately in church. It's too bad. You can't talk about what you're doing. Let's take a look at the book of Job. **Job 9:12. [Behold, he taketh away, who can hinder him? who will say unto him, What doest thou?]** These are the words of Job in the midst of great suffering. We don't have anything to say. Why did this happen to me? I don't have anything to say. It's God's will. People don't know this. If you can't afford to eat, you all get prideful. That's why a lot of people who have a lot of money in the church grab the pastor of the church. The elders. What a pity they are. If you don't have people in the church, it's ridiculous. You don't know what a despicable person this is. Because I don't see the Lord. You can't say anything about it. I don't pray anything else. Just show us the evidence that this is the church of the Lord. I don't pray like that. I don't pray to anyone. Why? God has to talk about it, do you hear me talking about it? Did you hear that Moses was talking about it in the old days? Moses said, God will judge you. It was. Please judge between me and them. So do I. You can't do it if it's not the body of the church. I need to repent. But if this is the church of the Lord's body, then the Lord will speak. Show me the signs. This is how I prayed. So I've been praying for one thing in my pastoral ministry so far. May

this be your body. I only pray about this. Then it's all over. Isn't the Lord in control? No matter what anyone says, there's nothing to be afraid of. Even though so many people went out, I wasn't scared at all. Ah, the Lord's doctrine, why am I doing that? But then again, people keep coming in and the word is being proclaimed. This is what it is. So I always do, I'm a member of this church. I won't leave until the Lord leaves. I'm a member. It's not about being free. That's why the Lord **said, "Where there are two or three in my name, I will be with them."** It all makes sense. So when this Nebuchadnezzar repented, **[then my reason returned to me, and of the glory of my kingdom my majesty and splendor returned to me, and my counselors and nobles sought me, and I was established in my kingdom, and a great majesty was added to me.]** Oh yes, you have lived with wild beasts for seven days, not seven weeks, not seven months, but seven years. What's the story? Babylonian

Instead of King Nebuchadnezzar, someone else became king. Who would give you up to be king for seven days? Absolute guidance. If some of his men try to get Nebuchadnezzar back on the throne, they will kill him for treason. Right? That's the way it is in the human world. But what would those advisers and nobles say about Nebuchadnezzar, who eats grass like an ox, as king? Isn't that the end of your life? That's what happens because God is at work up there. Just as the will was done in heaven, so the will was done on earth. The last thing is that the Lord is coming to earth as if He had now risen from heaven as King. That's why he's coming to Jerusalem. That's why Romney is like that. In order to get the votes of the Christians, they originally said that Jesus was coming to Utah. Do you know what it means to change the word? No, Jesus came to the Mount of Olives over there and said that the Mount of Olives would crack apart. Oh, he's coming there. It's in the Bible, in the book of Zechariah. And when I said that, I said, well, when the Lord came and reigned for a thousand years, there were two capitals. One is Jerusalem and one is here. I know the Christians are going to shoot it because it's not Utah. You can't try to do this. Only Israel was deceived. It's for them, we are your tribe, so how good is that? That's why it's going according to God's will. The day was long when He would call us. The time for the Antichrist to appear is near. We need to be aware of this in advance. This is not to say that he is the Antichrist. That's why this is according to God's will, and we shouldn't judge it by what we see or what it seems. We don't know anything. We don't know anything that happens in heaven. The answer is not to know. You don't have to pretend to know. I don't have to worry about an old lady who the president of South Korea is.

That's right, but there's no need to be tempted. Heaven's will be done. It's all different. If you follow someone like that and later tell you the wrong thing, you believe them again. There are times when you mentally ill people seem to be filled with the Holy Spirit in some ways. Psychopaths. When I come back to my senses, it's gone. Also, there are a lot of people who believe what psychopaths say these days. That's what Satan uses. Only God can do that. Nebuchadnezzar was raised up again because he repented of God, and his will was done on earth just as his will was done in heaven, which is impossible for human thoughts. It's impossible for Nebuchadnezzar to rise to the throne again. **Verse 37 says, "Now I, Nebuchadnezzar, praise and honor the King of heaven, for all his works are truth, and his ways are just, and he is able to humble from him those who walk in pride."]**

Because understanding returns, wisdom and understanding. So what is the Spirit of God? It is the spirit of wisdom, the spirit of understanding. Amen! Those who have the Holy Spirit are never proud.. It's because I don't have the Holy Spirit. The Holy Spirit is understanding and understanding God's will. Without the Holy Spirit, there is opposition in the church. It's arrogant. That person doesn't have the Holy Spirit. No matter how long you've been in church and how much you've learned the Word, it's useless. The Bible tells us. The understanding is back. I received a different spirit. Because I believe in a different Jesus and because I believe in a different gospel. So if you look here, the word praise in English means extol, this is exalt, it means lift, but nowadays English , extol is the English word for Queen Elizabeth, but now modern English exalts exalt, praise exalting, baby, right? Honor him This is what exalt looks like in the Bible today. In fact, Nebuchadnezzar is a type of the Antichrist who will reign for the next seven years, right? If this is such a model, why did they praise God? It's two things. At that time, as a person, I realized that I was praising the glory of God, and I was showing this, and then the Antichrist who would appear later became as proud as this man, and I was talking about this. But the person doesn't repent and doesn't have a chance. It was like Judas couldn't repent and eventually fell into hell over there. That is why he is a man in history, and at the same time he was changed from the mind of a man, and he gave him the heart of a beast, and he passed by him seven times, in verse 16, right? Because of that, he is also a beast. You've become like a beast. So it has two meanings. So, since we are a type of the Antichrist, do we praise God? There is no need to be confused. God works twice. Because this happened in the past and

this man became like a beast, God also said that the beast would appear and reign for the next seven or seven years. All the rulers of human history so far have been types of the Antichrist. Pharaoh of Egypt, Sennacherib of Assyria, Cyrus and Darius of Persia, Alexander, Caesar, all these are types of the Antichrist. Even Hitler. So the Antichrist who will appear in the future will be tremendous compared to the Antichrist that has appeared so far. I'm going to wipe it out. But they are safe because God sends eagle planes to pick them up and send them to Petra, so they are safe. That's why He takes up the remnant, the repentant, and protects them and lets them enter the Millennium. So, what should we do to prepare for our time on this earth? A royal priest, a royal priest on earth. It leads sinners to Jesus. In the Old Testament, if you brought a beast, you killed it, but now you don't need to bring another beast because the Lord died for them 2,000 years ago, right? So that's what it is.

I'm talking about it. Jesus Christ died for you. And he was buried. He rose on the third day. This is what it is. Then you don't have to bring the beast. He's already dead. Because of you. You're killed. Since then, we have become priests who lead them to the gospel, and what about those who do a lot of this~~? It's about being a king. King! You need to know this, folks. Therefore, no matter where we study the words of the Bible, we can know what God's will is. That's why we redeem the time and get it. Don't do too much for food, buy time, set aside a few hours a day for God's time, and work. When you do this, you go up to the Lord one by one. Gold goes up, silver goes up, jewels go up, and our houses are built. We live in the New Jerusalem and govern in that way. Our home is the New Jerusalem. So how much did David suffer? How much he suffered because of Saul, who was like the antichrist. That's why He exalts him to the highest level and establishes David as the ruler of Israel. The 12 apostles eventually became rulers over the 12 tribes. Blessed are the born-again saints of the New Testament era, who have been blessed by Abraham to become rulers because they have worked here, and we have been blessed with this commission to reign with the Lord for all eternity as royal priests. Those who have received the Holy Spirit know this. Those who have the Holy Spirit know this, but those who do not have the Holy Spirit do not know this, even if they wake up dead. When I hear this, I call it a utopia. How do we do it? You're welcome. Oh, they all died in Noah's time, right? Oh, Noah's family doesn't have much to look at. At that time, the most unremarkable people were the Noah's family. Noah, his wife, three sons, three daughters-

in-law, they are not unremarkable people. How persecuted ne must have been. He was preaching. It's crazy. He had been preaching for 120 years, saying so come in here. If you don't, you'll all die. You said you were a crazy grandfather. Crazy Grandpa and his family, you guys are going to die. But Noah the preacher of righteousness! I said. They were all there. It's the same. What is it? Be fruitful and multiply to the first man, Adam. Be fruitful and multiply to Noah. Now that's what he's telling us. When the Lord comes. The Lord is the last Adam. Because they don't know this truth, the churches are doing the wrong thing. The church must continue to eat the Word and become to be fruitful and multiply so that she can fully understand the will of the Father. You have to put on the armor of God. I can overcome the principalities, the powers, and the wicked ones that belong to Satan. Amen! They fall apart in the tribulation and all perish. Then all the principalities of heaven are transformed into principalities of Jehovah, the Lord of hosts. Heaven and earth are united in Jesus Christ. This is a different dispensation at the time, but the time is long

It didn't. How do you know this? We know from the words of the Bible, not who prophecies. You should never follow people. It's all in the Bible, but what are you talking about? The Bible is all prophecy, but I don't study it, so I keep going to strange people and saying, what will happen to me? I'm asking like this. These idiots are idiots. If Satan just does the work and gives you the wrong prophecy, he will be deceived and give you money, folks.

I will pray.

Thank you for reminding us of how much we have been blessed through today's Word. Right now, kings and rulers are deceiving people by not allowing the anointed Lord to come, not wanting Him to come, and claiming millenniumless years. They are deceiving people by claiming theories and theories, saying that there are three theories. There is only one word of God, and it is deceiving. The servants of the Lord are deceiving. Theologians are deceiving. God the Father, the blind men are guiding the blind. Father, as the word proclaimed through this Church spreads throughout the world, Father God, please make it possible for those who have understanding to understand your will. First of all, let all the people in this church receive the understanding and wisdom of the Holy Spirit, and they will all be born again, so that they may meet you in glory when you come, and leave many minas on this earth, so that there will be many people

who rule over the ten and five houses, and that no one will be rebuked for not leaving one, and that no one will go to hell, but there will be no one who will be rebuked! I pray that you will take the time to preach the gospel zealously, and that you may preach the gospel zealously with the mina that you have given us, so that many people may be brought to you and that there may be a work of occupying this land on this earth. Look east, west, north and south, and this will be your land. Walk horizontally and vertically, and this will be your land. Since we are saved by faith like Abraham, and like Abraham, we receive what we have seen together, so let us have a history of realizing that wherever we look and walk and preach the gospel, it becomes our land. Father, please help us to be all who can take possession of the land that will be ruled, not just the land where we make money, and who will be all who watch, pray, watch, and preach the gospel as we walk. Every Sunday, after worship, we go out and preach the gospel. Father, bless the way they have preached the gospel, Father, lead many to you, and I pray that you will glorify them as they walk in rewarded faith. The power of Satan, let them all depart in the name of Jesus Christ, Father, arm them, so that many souls may turn to you.

Help us to bring about the salvation of many people. Father, please help us to spread the wonderful cry of the drunkards and drug users to receive the water of life like the mercurial woman did, to this part of the Americas, to this part of the Americas, to California. Thank you, and in the name of Jesus Christ, I plead and pray, Amen!
